 Testimony

I am writing in opposition to the suggested amendment to delete the funding for Kānewai Spring under the proposed draft FD1 by Councilman Ozawa. Please keep the funding in place to allow for the community-led effort to preserve Kānewai Spring and the loko ia dependent on these waters. I am an Oahu resident, supporter of the statewide fishpond network Hui Malama Loko Ia, and a dancer with Halau Hula Kalehuapuakea located in Wailupe. Protection of natural streams and the restoration of traditional fishpond systems serves many purposes, including the demonstration of the fertility of these lands and the perpetuation of cultural practices vital to our community. Mahalo for the opportunity to share this testimony. Kristina
